APRIL 1991

MESSAGE FROM THE PRESIDENT

Dear Compatriots and Friends of Switzerland,

What better occasion than the 700th Anniversary year of our country's Confederation for us to start a Swiss Association here in Taiwan!

Such associations have existed for numerous years in most other countries in this part of the world, and although the Swiss community here is relatively small, we have finally responded to a great many calls for some form of Society for the Swiss and friends of our country.

While our stated aims call for the "fostering of friendship among the Swiss community and Friends of Switzerland", an equally important part, I feel, is that we do promote what our country stands for: neutrality, respect for individual freedom, fair play and democracy, especially in an increasingly complex world with economic and political spheres, a communications explosion and, unfortunately, still many armed conflicts.

But we also want to encourage some of our homly traditions, like a friendly game of "Jass" and the like.

Although the world seems to become smaller all the time, we are still far away from home in a very different environment (not all of it polluted!) and in a very different culture. Through our association, we would like to make you feel a little closer to "home", and especially for the more recent arrivals, help you settle in a little more easily.

Through this Bulletin and future newsletters, you will be kept informed on the activities that our committee has lined up for this year, and I already look forward to seeing many of you participate in these events.

For a start, how about joining our next regular "Hock", held every second Tuesday evening of the month?

With best wishes,
Hans-Ruedi Burkhalter
President

AUSLANDSCHWEIZERVEREINE

Schweizerverein in Taiwan erfolgreich gestartet

70 Schweizerinnen und Schweizer haben in Taipeh die «Swiss Association of Taiwan» gegründet. Der neue Schweizerverein will die Kontakte unter den Landsleuten pflegen und regelmässige Zusammenkünfte veranstalten.

■ VON WILLI BÖHI, TAIPEH

Die Gründung eines Schweizervereins in Taiwan wurde von vielen Seiten als längst überfällig taxiert. Die Gründungsversammlung vom 14. November im American Club von Taipeh vereinigte nicht nur eine stattliche Anzahl von Interessenten, sie ging in ihrem offiziellen Teil auch in nur knapp einer halben Stunde reibungslos über die Bühne. Jost Feer hatte alles vorbereitet und für eine speditiv Abwicklung der Traktandenliste gesorgt.

Ziel des Schweizervereins ist laut Statuten vor allem die Förderung der Freundschaft und die Durchführung kultureller, gesellschaftlicher und sportlicher Anlässe. Durch Handmehr, wie an der Landsgemeinde und unter selbstverständlicher Mitwirkung auch der Frauen, wurde der Vereinsvorstand bestimmt. Erster Präsident ist Hans R. Burkhalter. Ferner wurden gewählt Hans Böhi zum Vizepräsident, M. Piquerez zum Kassier, Jost Feer zum Sekretär, E. Brawand zum Verantwortlichen für Veranstaltungen,

M. Vonau für Sport und Spiel, Frau A. Steiner für Aktivitäten der Frauen. Als Rechnungsprüfer stellte sich R. Wilder zur Verfügung.

Erfreuliche Toleranz legt der neu gegründete Verein durch die Bereitschaft an den Tag, auch Nichtschweizer in seinen Kreis aufzunehmen. Aus verständlichen Gründen sollen diese «Zugewandten» allerdings nicht die Mehrheit der Mitglieder stellen.

Im Anschluss an die Gründungsversammlung referierte Samuel Noordhoff, der international bekannte Gesichtschirurg, anhand von Lichtbildern über die nahezu miraculösen Erfolge bei der Operation von Hasenschädeln und Wolfsrachen. In Taiwan trifft auf etwa 800 Geburten eine dieser Missbildungen zu. Noordhoff, der seit 31 Jahren am privaten Changkeng-Spital in Taipeh wirkt, hat eine eigene «Noordhoff Craniofacial Foundation» ins Leben gerufen, um auch Minderbemittelten die gleiche optimale Operation und Pflege zu gewährleisten.

Nachdem der Schweizerverein für seine Gründungsversammlung Gastrecht im American Club geniessen konnte, wird es nun Aufgabe des Vorstandes sein, ein geeignetes Lokal für den gemütlichen Monatshock mit Jass zu finden. Als nächster Höhepunkt war schon das Weihnachtsessen vom 7. Dezember angekündigt worden. Auch der neue Generalkonsul in Hongkong, Jean-Marc Boilat, hat seinen Besuch zugesichert.

Sturmschäden im Wald: Mehr Mittel

Bern. – Die privaten Waldbesitzer sollen in die Lage versetzt werden, die gewaltigen Sturmschäden von Ende Februar sachgemäss und innert nützlicher Frist zu beheben. Mit 98:0 Stimmen hat der

Nationalrat am Mittwoch diskussionslos den zusätzlichen Kredit von 130 Mio. Franken für ausserordentliche Massnahmen zur Walderhaltung bewilligt.

A special thank for the sponsors and good luck to the participants.

KIM'S BROTHERS FROM KOREA

Leaping ahead to some news the famous "Kim's Brothers", an alpine folkloric group from Korea will perform on Thursday 23 evening (dinner/performance) at the the American Club in China (California room). The group has earned fame in Korea and Japan and will no doubt win your hearts.

A special attraction for all lovers of folkloric music (Swiss, Bavarian, Kufstein) and a must for all homesick. Look for further announcements by the American Club.

SWISS DAY

1291-1991 Switzerland

To combine the celebration of the 700th anniversary of Switzerland and the 1st-of-August Party a compromise was found in the date of May 25, 1991, when most of the members are still supposed to be in Taipei (not on holiday) and the weater should not be too hot.

Preparations by the committee have started and it is intended to be an afternoon at leisure with music entertainment, food and drink stalls, games, etc. for you and your friends. More details should be available in the next few weeks and you will be kept posted. So far just keep the afternoon of May 25 free.

If you have any suggestions with regard to the enrichment of the content of the program please let us know.
